## Value Proposition (Contd.)

### Socio Economic Contribution (S-E-C)

An individual's life can be divided into 3 distinct phases for the purpose of S-E-C involvement :

- Phase-1 (Till age 35).
- Phase-2 (Between age 35 to 65)
- Phase-3 (From age 65 onwards)

Emphasis on S-E-C occurs during Phase-2 of an individual's life.

#### At Cherrytec :

- S-E-C involves one-to-one monitoring
- Enabling a life of self-fulfillment
