

About Cherrytec

Cherrytec is a Global Enterprise IT company providing consulting, development and maintenance services, through 3 BUs **SAP, Oracle Apps and Allied Services**.

We align our internal processes and methodologies completely oriented to Client requirements. Our comprehensive consulting & management expertise, innovative problem solving methods and timely delivery enable ideal partnership for an array of IT services.

Allied Services @ Cherrytec

Allied Services are offered, in three distinct areas

- Consultancy
- IT Infrastructure Management
- Apps(Applications development)

Consultancy

Staff augmentation is an outsourcing strategy to complement existing set of talents available in an organization.

Cherrytec offers reliable and trained professionals for short term engagements in Clients location towards implementation of IT roadmap across diverse business verticals.

Demand ramping up can be effectively addressed without shouldering the cost and liabilities of full time employees

- a. Skill sets across all technologies
- b. Domain and functional expertise(Materials, Sales, Production, HR etc.,)
- c. Across Industry verticals(Banking , Retail, Manufacturing etc.,)
- d. It staffing with certified professionals

Value Addition

Globalized markets and workforces

- IT Consultancy allows virtual effectiveness

Rapidly changing technologies, driving new ways of working

- IT Consultancy offers far reaching improvements

Client maturity with IT Consulting services

- Levels of dependence and reliance are stabilized

New Creative Ideas/Processes Developed

- The value added here involves the thinking outside of the Client's normal box and the creation of something new and unique for them.
